A few months into it, however, trying to find gifs, send them, and sometimes even receiving them would cause the app to freeze for several minutes if I didn't close it completely.. It's been monnths Occasionally, kik will also say someone is still typing if I return to the app to view a message they sent.. It's been monnths Occasionally, kik will also say someone is still typing if I return to the app to view a message they sent.. I hope kik actually fixes these issues but I doubt seeing as how I've had them for at least 6 months. [Intego For Mac](#)

Lastly, sometimes I'm not notified about messages until I return to the app It's as if so muted them but I haven't.. I usually have to restart my phone to get the app working again I emailed support about this, but heard nothing.. This app has gone downhill in the last year or so When they initially added gifs, I loved it.. The freezing doesn't just affect kik, but my entire phone I have to close the app to stop the freezing on kik but my entire phone will remain that way for a few seconds.. The freezing doesn't just affect kik, but my entire phone I have to close the app to stop the freezing on kik but my entire phone will remain that way for a few seconds.. Messaging apps are the most It's very annoying and time consuming Sometimes shutting down kik is useless too because when I reopen the app, it will say "connecting" and then it will shut itself down repeatedly..
